GRADUATION REQUIREMENTS

ALL STUDENTS EXPECTING TO BECOME CANDIDATES FOR DEGREES OR CERTIFICATES MUST FILE AN APPLICATION WITH THE VICE PRESIDENT FOR INSTRUCTION BY THE ANNOUNCED DEADLINE

REQUIREMENTS FOR DEGREES

East Central Community College grants three associate degrees the Associate in Arts, the Associate in Science, and the Associate in Applied Science. Students who plan to transfer to senior institutions should take note that substitution in the specified courses of Categories I and II below may be made with the approval of the Vice President for Instruction in order to meet senior college requirements.

I. To graduate from the College with the degree of Associate in Arts a student must:

- (1) Earn a minimum of 64 semester hours of credit to include: the 38 semester hours listed in the Academic Core Curriculum, but not more than four semester hours of activity courses (physical education, band, choir, varsity sports, etc.);
- (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled only the last grade recorded will count for quality point purposes);
- (3) Complete a minimum of sixteen semester hours at East Central Community College;
- (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.

II. To graduate from the College with the degree of Associate in Science a student must:

- (1) Earn a minimum of 64 semester hours of credit to include: the 38 semester hours listed in the Academic Core Curriculum, sixteen or more semester hours of laboratory science, and not more than four semester hours of activity courses (physical education, band, choir, varsity sports, etc.);
- (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled, only the last grade recorded will count for quality point purposes);
- (3) Complete a minimum of sixteen semester hours at East Central Community College;
- (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.

III. To graduate from the College with the degree of Associate in Applied Science a student must:

- (1) Earn a minimum of 64 semester hours of credit to include the 18 semester hours listed in the Technical Core Curriculum, all technical courses in the specified program of study as listed in Chapter 5, "Program of Study" in the College Catalog, but not more than four semester hours of activity courses (physical education, band, choir, varsity sports, etc.); and enough approved non-technical courses to complete 64 semester hours;
- (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled, only the last grade recorded counts for quality point purposes);
- (3) Complete a minimum of sixteen semester hours at East Central Community College;
- (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.

IV. To graduate from the College with a second associate degree, which must be different from the first, a student must:

- (1) Earn a minimum of 15 additional semester hours of credit with no more than one semester hour of activity credit (physical education, band, choir, or varsity sports);
- (2) Meet all of the requirements listed for the second degree as enumerated in paragraphs I, II, or III above;
- (3) Complete all 15 additional semester hours credit at East Central Community College;
- (4) Secure the approval of the Vice President for Instruction.

REQUIREMENTS FOR CERTIFICATES

East Central Community College grants nine months, one year, and eighteen months certificates.

To graduate from the College with a certificate in a particular program a student must:

- (1) Make a passing grade and average a "C" (2.00 point) on all those courses required in the curriculum. Grades in courses not listed in the curriculum will not be counted in calculating quality point averages.
- (2) Satisfactorily complete a prescribed certificate program as outlined under the curriculum.
- (3) Practical nurse students and surgical technology students must maintain a grade of 80 on each course to earn a certificate.

BASIC COLLEGE CORE CURRICULUM (General Education Competencies)

This core curriculum is designed for students who later plan to transfer with junior standing to one of the four-year colleges in Mississippi. Students should understand that different colleges and universities have their own requirements, and students should consult the latest catalog of the institution to which they plan to transfer.

The following East Central Community College core curriculum contains the core curriculum which is required by all universities under the State Board of Trustees, Institutions of Higher Learning, which was implemented during the fall of 1984 and the core curriculum is incorporated in all transfer programs of study.

English Composition	6 semester hours
Laboratory Science	8 semester hours
Humanities & Fine Arts	9 semester hours
Social/Behavioral Science	6 semester hours
College Algebra or Higher Mathematics	3 semester hours
Oral Communication	3 semester hours
Computer Science	*3 semester hours
Total	38 semester hours

*or demonstrated skills

This 38 semester hour core curriculum is required for graduation from East Central Community College in both transfer degrees—the Associate in Arts and the Associate in Science. (See requirements for degrees section of Chapter Three — Academic Policies of the College Catalog.)
