Development Center
52-9th Street
Decatur, MS 39327

WORKSHOP OVERVIEW

If you are in business and need assistance with your business tax information this is a workshop you should attend. All businesses must pay taxes on their income; that is, the business must pay tax on the profit of the company (the income of the business less deductible expenses). How that tax is paid depends on the form of the business and through your personal income tax return.
