

2023-2024 Verification Instructions

Your federal application was selected for review in a process called "Verification." Verification is mandated by the U.S. Department of Education and requires schools to gather additional documentation to check the accuracy of information submitted on the FAFSA.

To facilitate this process, you are required to complete and submit a signed **2023-2024 Dependent Student Verification** worksheet and certain other forms on income documentation to the Financial Aid Office.

The income tax documents that we accept are based on policy put forth by the U.S. Department of Education. We can only accept either:

- **An updated FAFSA using the IRS Data Retrieval Tool (DRT), OR**
- **A signed copy of the 2021 Income Tax Return and All Schedules you and your parents completed, OR**
- **A 2021 IRS Tax Return Transcript.**

If you did not use the **IRS Data Retrieval Tool** when completing the FAFSA, **we encourage you to go back to studentaid.gov and update your tax information via the Retrieval Tool. This is significantly faster than requesting a tax return transcript from the IRS.**
