POSITION SUMMARY INFORMATION

Required Qualifications

- Associate of Applied Science degree in the field of engineering technology, drafting and design, or related field.
- At least three (3) years' work experience in the field of engineering technology, drafting and design, or related field.

Preferred Qualifications

- Master's degree or higher in the field of engineering technology, drafting and design, or related field.
- At least five (5) years' work experience in the field of engineering technology, drafting and design, or related field.
- Teaching experience in the field of engineering technology, drafting and design, or related field.

General Statement of the Function

The Engineering Technology Instructor teaches classes as assigned, advises program students as part of the College advising system, designs and aligns curriculum according to standards in the discipline, networks with district industry to stay abreast of needs and advances in the field and promotes student employment, stays abreast of transfer and articulation arrangements for student transfer, follows the established policies and procedures of the College, and supports, encourages, and participates in appropriate organizations and activities.

Duties and Responsibilities

1. Teach program courses as assigned in alignment with curricular standards.
2. Stay abreast of industry changes and needs and recommend program/curricular improvements as applicable.
3. Stay abreast of articulation opportunities and network with baccalaureate programs to promote student transfer options.
4. Advise students toward program completion and placement into employment or transfer to a baccalaureate program.
5. Participate in appropriate professional organizations.
6. Coordinate district program advisory craft committee.
7. Keep accurate records related to student progress.
8. Work with the Director of Career-Technical Education to recommend and manage the program budget.
9. Participate in campus faculty meetings, orientations, etc., as requested.
10. Participate in the College recruiting program and provide leadership in recruiting Engineering Technology students.
11. Work with College administration in the retention of students.
12. Develop and maintain relationships with local industry and practitioners in shaping curriculum, program practices, and student placement into employment.
13. Be responsible for program equipment inventory and maintenance.
14. Other duties as assigned by college administration.

THE COLLEGE

In 1928, the Legislature of the State of Mississippi adopted the first basic laws for the organization and operation of the Mississippi public junior colleges. East Central Community College (ECCC) opened its doors to a freshman class of 20 students for the first regular session in September of 1928. In March of 1939, ECCC was first accredited by the Southern Association of Colleges and Schools (SACS). The college is currently accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award the Associate Degree. Individuals may contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of East Central Community College. Degrees or certificates are granted upon completion of program requirements. ECCC is also a member of the Mississippi Association of Community and Junior Colleges (MACJC) and the American Association of Community Colleges (AACC). Enrollment, including part-time students, exceeds 2,700 students each term. Evening courses and summer programs are offered throughout the five-county support district. The college also operates the Philadelphia-Neshoba County Career Technical Center located in Philadelphia, Mississippi. ECCC is supported by five counties located in east central Mississippi: Leake, Neshoba, Newton, Scott, and Winston.

EEO STATEMENT

East Central Community College does not discriminate on the basis of race, color, religion, national origin, sex, age, or qualified disability in its educational programs and activities, employment practices, or admissions processes. The following offices have been designated to handle inquiries regarding the non-discrimination policies of East Central Community College:

Inquiries regarding compliance with Title VI and ADEA are coordinated by the Executive Vice President, Walter Arno Vincent Administration Building, Room 171, Post Office Box 129, Decatur, MS 39327, Phone: 601-635-6202, Fax: 601-635-4011, Email: compliance@eccc.edu.

Inquiries regarding compliance with Title IX and Section 504 are coordinated by the Dean of Student Services, Campus Police Building, Post Office Box 129, Decatur, MS 39327, Phone: 601-635-6267, Fax: 601-635-4067, Email: compliance@eccc.edu.

Inquiries regarding compliance with ADA are coordinated by the Director of Student Success, Mamie Ethel Burton Memorial Library, Post Office Box 129, Decatur, MS 39327, Phone: 601-635-6228, Fax: 601-635-2150, Email: compliance@eccc.edu.
