

Looking To Start A New Career?

CAREER STEP PROGRAM (Career Skills Training Education Pathways)

WE OFFER:

- Paid Internships & Work Experience
- Short Term Training
- Book & Training Materials
- Testing & License Fees
- No Cost to Customer

We connect our students with employers and training programs to build innovative career paths that provide competitive wages - and we remove any obstacles along that path by paying for training and supplies, securing internship opportunities, and providing a dedicated career coach.

PROGRAM QUALIFICATIONS:

- Must be between ages 18-59.
- Must not be currently enrolled in high school.
- Must be enrolled in an approved program.
- Household income not exceeding 200% of the federal poverty level.
- Must complete eligibility process prior to start of course/program.

**For more information contact
