EAST CENTRAL
COMMUNITY COLLEGE

ELECTRONICS TECHNICIAN TRAINING PROGRAM

CLASS BEGINS: MARCH 20, 2023

*Classes will meet from 4:30 - 8:30 p.m., 4 nights a week,
Monday - Thursday, for 20 consecutive weeks.*

ECCC Main Campus • Decatur
Bradford J. Tucker Applied Technology Center, Room 203

- Registration will be held February 27 through March 10, 2023.

- Cost of the class is $250.

- Upon successful completion of this training, students will have the knowledge to perform a wide variety of technical tasks in support of Processes, Engineering, Quality Control, Calibration, and Line Maintenance. Students will be able to test, troubleshoot, repair, maintain, plus select, install, set up, and operate a wide variety of electronic, electromechanical, mechanical, computer, laboratory, and scientific systems and/or equipment. Students will be able to utilize various engineering and scientific drawings, manuals, and other related materials.
