

Office of Financial Aid P.O. Box 129 Decatur, MS 39327

Dear Student,

East Central Community College participates in the William D. Ford Direct Loan Program. This program offers 3 types of federal student loans. The three loan types for which you could have eligibility include the following:

- 1. **Direct Subsidized Loan** This loan is based on financial need and is determined by using the Dept. of Education's formula. A loan is considered subsidized when the government pays the interest, at the rate of 4.29%, when you are enrolled in school at least half time or during authorized deferment periods.
 - On July 6, 2012, the Moving Ahead for Progress in the 21st Century Act (MAP-21) was enacted. MAP-21 added a new provision to the Direct Loan statutory requirements that limits a first-time borrower-s eligibility for Direct Subsidized Loans to a period not to exceed 150 percent of the length of the borrower's educational program. Only first-time borrowers on or after July 1, 2013 are subject to the new provision.
- 2. **Direct Unsubsidized Loan** This loan is not based on financial need and is not subsidized by the federal government. You would be responsible for the interest at a fixed rate of 4.29%. This interest can be paid or capitalized while you are in school. Capitalizing the interest increases the amount of debt and thought should be given when making decisions whether to pay the interest as it accrues or to capitalize that interest.
- 3. **Direct Plus (Dependent students only)** This loan is borrowed under the parents name and is a debt that would be incurred by the parent. This loan would have a fixed rate of 6.84%.

STEPS TO PROCESSING YOUR STUDENT LOAN REQUEST:

- Step 1: Review your loan history through National Student Loan Data System at <u>www.nslds.ed.gov</u> (Financial Aid Review). Loan history must be PRINTED off and STAPLED to loan request form.
- ❖ Go to www.studentloans.gov. Click on the green box that reads "Sign In" and create an account before continuing to the steps below. (Note: You will need your new FSA I.D. in order to sign in.)
 - **o Step 2: Entrance Counseling**
 - Step 3: Master Promissory Note –may be used up to 10 years
 An MPN must be completed and received by your lender before loan funds can be electronically sent to the school. Once a student signs the MPN, the student has made a binding agreement that indicates the student's commitment to repay their student loans.
 - Step 4: Student Loan Request Form-required for student to be considered for a student loan

Annual Loan Limit

Dependent	Freshman	Sophomore			
Direct Subsidized	\$3,500	\$4,500			
Direct Unsubsidized	\$2,000	\$2,000			
Total	\$5,500	\$6,500			
Independent	Freshman	Sophomore			
Direct Subsidized	\$3,500	\$4,500			
Direct Unsubsidized	\$6,000	\$6,000			
Total	\$9,500	\$10,500			

NOTE: To be considered a Sophomore, you must have earned 30 college credits in your current degree program.

Once these loan steps are completed, ECCC will determine your eligibility and if eligible, process your student loan. The maximum amount that a student may borrow is the ECCC cost of attendance as determined by the Financial Aid Office minus any other (scholarships, grants, etc). The cost of attendance will be adjusted based on enrollment. You will receive an award letter from ECCC stating the amount of your student loan funds for the semester(s) requested. The award letter will only need to be returned if you are declining the amounts that are listed on the award letter.

***Please remember that you must be enrolled in and in attendance in at least 6 credit hours in order to be eligible to receive a student loan.

Disbursement of Loan Money-When federal student loan funds have been disbursed to the college, the student will receive an e-mail notification from the student loan officer. All correspondence regarding the disbursement of the federal student loan will be sent to the student's email address as reported on the requested loan form. Please allow ECCC at least 14 days from the date of disbursement to process those funds. Once the loan funds are processed and your account is paid, any refund for which you are eligible will be mailed to your legal permanent home address as listed in Admissions; therefore, you should update your address in with Admissions if your address has changed.

Loans are borrowed funds that must be paid back. The student loan will enter into repayment 6 months after the student graduates, withdraws, or drops below six (6) hours. Borrowers who have difficulty making loan payments should contact the lender as soon as possible to see which options are available to them. Some of the options borrowers can take advantage of to avoid a default are: alternative repayment plans to lower monthly payments, loan forgiveness and discharge programs that cancel loan obligations, and deferments and forbearances to temporarily suspend monthly payments.

Failure to repay your student loan will result in a default. A default generally occurs on a federal student loan when a borrower does not make a payment for 270 days. During the delinquency period, the lender will make repeated efforts to locate and contact the borrower about repayment. If the lender is unsuccessful, steps will be taken to place the loan in default. Borrowers should avoid default at all costs because, unlike consumer loans, student loans can't be discharged

through bankruptcy and will stay with the borrowers for the rest of their lives. A borrower with a defaulted loan faces these consequences:

- Payment of entire loan balance (principal and interest) becomes due immediately
- Garnished wages and federal and/or state tax refunds
- Withheld Social Security retirement benefits and disability benefits
- Additional charges, late fees, and collection costs
- Lawsuits
- Ineligibility for additional student aid
- Damaged credit rating and lower credit score (which could prevent obtaining a mortgage, buying a car, or borrowing other consumer loans in the future)
- Loss of eligibility for a loan deferment (such as for in-school, unemployment, etc.)

Listed below is an estimated payment chart.
