Proposed Dates and Times for Students to Move Out of Residence Hall Rooms

Current ECCC students who live in on-campus housing will be allowed to return to campus April 28-May 1, 2020, to move out of their residence hall rooms based only on the below schedule. This move-out schedule is subject to change based on developments at the local, state, or federal levels, and should changes be necessary, students will be informed as soon as possible.

You must arrive on campus on the day and time assigned to your room to allow roommates to move out of their room at the same time. If you cannot come to campus during your designated day and time, please email Dr. Walton at awalton@eccc.edu or Dean Miller at jmiller@ecc.edu or call their office at 601-635-6213 to schedule an alternative time.

ALL individuals on campus must practice social distancing to the greatest extent possible and, based on the recommendations of the Mississippi Department of Health, all individuals should wear a mask the short time you are on campus.

For the health and safety of others, only the student and one other person if necessary will be allowed to enter the residence hall. Therefore, if you bring additional people with you, we ask that they remain in the vehicle. Please move out of your room and complete the checkout procedure as quickly as possible and leave campus so the College can limit the number of people on campus at a given time.

For students who reside in Jackson, Scott, Winston, Todd, Newsome, Leake, and Neshoba halls, please plan to enter the campus only at the main entrance where the ECCC marquee sign is located off West Broad Street. There you will receive further instructions and a special parking pass to park only in the parking lot of your residence hall. You will be asked to surrender your parking pass as you depart the campus.

If you reside in Barber Hall or New Women's Residence Hall, please go to the parking lot in front of the New Women's Residence Hall to receive further instructions and your special parking pass. You will be asked to surrender your parking pass as you depart the area.

Please see the email sent to your College email address on Friday, April 24, 2020, for additional information on move-out procedures and health and safety precautions.
