

SR1 (Scientific Research)

Ridgeland, Miss.

<https://sr1tech.org>

Position Available:

- Full-time C.O.O.L TM Education AmeriCorps Member (*40 hrs. per week*; 1,700 service hours required by August 31, 2019)
- \$1,052 monthly living stipend less tax, \$5,920 Education Award, and loan interest paid while serving (if applicable)

SR1's AmeriCorps program is looking for dedicated individuals from **all majors** who are committed to making a difference in their community. AmeriCorps members will receive training on effective communication and classroom management.

In this position you will:

- Assist elementary students on-site in **Forest, MS** with academics (English & Math);
- Encourage and support social skills;
- Work alongside a team or independently to effectively achieve academic growth;
- Engage in community service days and summer camp

In addition to performing the above tasks, members will also work alongside and interact with teachers and administrative faculty to ensure students' progress.

Qualifications for this position:

- U.S. citizen, national or legal permanent resident
- High school diploma or equivalent; currently pursuing or completed college degree
- Must pass Criminal History Background Check (national and state) and the National Sex Offenders Public Registry (NSPOR) check
- Complete an application at MyAmeriCorps.gov

Please contact SR1 at 601-206-4544 ext. 204 for additional information and how to apply.
