Enrollment up 17% at ECJC

By SCOTT LONG

Enrollment was up at ECJC 17% last semester, compared to enrollment from last year, as revealed by figures from the Office of Records and Administration. This follows a trend set by the whole state.

Enrollment in public junior colleges of Mississippi was 50,015 at the end of the first six weeks of school last semester. This is the first time in 58 years of Mississippi Junior Colleges that enrollment has exceeded 50,000. This figure is 4.35% greater than fall semester of 1979, or a total of 2,087 students.

A wide diversity of majors comprised the enrollment of last fall. The following is a list of majors and the number of students in each, used with permission from the Office of Records and Administration. Agriculture, 10; Business, 79; Business Education, 6; Elementary Education, 51; Secondary Education, 20; Industrial Education. 1: Engineering, 29; Home Economics, 14; Industrial Education, 1; Liberal Arts, 140; Pre Dental, 4; Pre-Medical, 18; Pre-Pharmacy, 4; PreNursing, 26; Music Education, Vocal, 10; Music Education, Instrumental, 2; Technical Intensive Business 40; Secretarial Science, 29; Drafting, 11; Data Processing, 39; Cosmetology, 20; Auto Mechanics, 20; Body and Fender Repair, 20; Electricity, 23; Refrigeration and Air Conditioning, 18; Machine Shop, 17; Radio and Television, 16; Welding, 26; Carpentry and Cabinet Making, 17; and Masonry, 19.

Seventeen of these 729 students were from other states. There were 415 full time academic day students, 120 full time technical students, 196 full time vocational students, 8 part time academic students, 2 part time technical students and 26 Evening academic students.

No figures as extensive as these are available on second semester at this time; however, a total of 737 students have been registered for this second semester.

Dean Rives stated, "We were well pleased second semester as well as first at this increase. and we are Continued on page 4....

Hostage release doesn't stop anger

By SCOTT LONG

Recently we had two of the greatest highlights of the year, the inauguration of President Reagan and the release of the American hostages from Iran. The latter of these two events was foremost in the mind of Americans for the past year and three months. Just now, after their release, are the true facts of their captivity being revealed.

Of course I am relieved at their release; but still, I, like many Americans, feel anger towards the Iranians. I advocated military force after the first news of their being captured; and still do not favor friendly association with the revolutionary government. As much as I admired and respected President Carter's peaceful approach to the problem, I think his military action, although it was a failure, was the best thing he did about the situation. I also firmly believe the hostages were released when they were, because the Iranians feared President Reagan's totally new and probably forceful approach to the crisis. One that would harm Iran much more than help them.

The Reagan Administration will have a profound effect on America's foreign policies, not only in Iran, but in other nations as well, I think. I hope greater respect will be commanded by our officials. The fifty two hostages were subjected to inhumane treatment and their families to intense personal pain, but from this America has floundered and its citizens have felt a closer patriotism than I have ever known. I hope that in the future, this patriotism will continue and we will have the respect we once had as a great nation.

Tuesday & Thursday A, B, C periods..... oinions differ on new schedules

By SCOTT LONG

A survey was taken recently to get student and faculty reaction to the change in schedule this semester. The A, B, C,... periods on Tuesday and Thursday are only experimental and a wide diversity of opinions were obtained.

Mrs. Martha Graham had the following to say: "I don't like it. To me, the rhythm is wrong. At the end of fifty minutes I want to quit, and I still have half of tommorrow to go. Also, it is difficult to keep Monday, Wednesday and Friday classes at the same pace as Tuesday and Thursday classes.' Mrs. Sara Heard said, "It's just totally new to me...a new world. It doesn't bother me one way or another. I'm just waiting to see if it works or not." Mr. Tommy Thrash was not affected by the change either. "I have the same

hours and the same student load.'

Mr. J.E. Smith said, "All in all, it's good. We meet the class fewer times which means we have to work a little more, but once we're started, we get up and go. There are a few handicaps, but I think it's good.'

Mrs. Kathryn Wright thought it was better also. She remarked, "I have a first period every morning but I'm always ready to go by seven thirty anyway, so I really have no objections whatsoever."

observation to make, "For some classes, such as English and Psycology, an hour and fifteen minutes is a little long, you tend to become bored. Math and Science are good for these periods because you have to work problems and ask questions." Ted Pope agreed by saying "Some classes are better equipped to handle it than others.

Sandra Johnson said, "For a lot of people it's inconvenient and to others it

gets to be boring. I guess it just depends on the schedule.

Tony Dobbs is one of the people Sandra was talking about. He said, "A lot of the ABC class periods are too Continued on page 5....

Cafeteria gets new asst. manager

Will Creemer slaves over a hot stove in the cafeteria.

By LEONARD LEE

Many of you have undoubtedly noticed a new face in the cafeteria lately, and wondered just who he is.

His name is Will Creemer and he is from Helena. Arkansas. He graduated from De Soto High School in 1976. He attended Phillips County Community College and the University of Arkansas at Little Rock prior to transferring to the University of Southern Mississippi. From there he will receive a B.S. degree in Hotel and Restaurant Administration in May. Prior to coming to ECJC, Will completed an internship at the Sheraton Inn of Gulfport, Mississippi. In December of 1980. He has also worked as a bartender and waiter at the Red Lobster Inn of Nashville, Tennessee and the Fifth Quarter Restaurant. Other work experiences include crew supervisor for the West Helena Arkansas Park Commission.

Will is scheduled to be at ECJC for ten to twelve weeks before being assigned to a unit as assistant, or location manager. While at EC he will be serving as assistant manager and welcomes your suggestions and comments. He enjoys a friendly chat and understands students problems. Will will assist you any way he can.

Will, who has celebrated his twenty-third birthday since arriving at EC, is single.

starting to have a higher retention rate for those coming next year, as well as a large number of first time students graduating from High School." He also said, "This is one of the highest enrollments we have ever had second semester. Ninety-three students of the increase enrollment were

first time students. Dr. Tucker said, "I particularly like to see an increase the second semester. It is easier to take students then, and it balances class sizes with first semester."

Dr. Wright had these comments to make. "First of all, for the last couple of years, fall enrollment has been down. For it to be up this fall was real pleasing, and the second semester increase was very gratifying. The people of this institution are taking more advantage of what is theirs. I'm thoroughly convinced that two years here is better than the freshman and sophomore years at a senior college. In addition to regular college we are pleased that vocational programs are full. Also the PSE-CETA program is letting us reach a group of people we had

never reached before." Dr. Wright attributes the increase in enrollment to a change in priorities. "I think that people have altered their goals and are striving to reach them. We wish the people would let us help them, because they need us and we need them."

Phi Theta Kappa initiation is scheduled for Feb. 20th

Cindy Cleveland, president of Phi Theta Kappa, announced that the PTK will hold their initiations ceremonies on Feb. 20 at 7:00 p.m. in the Gordon Room.

To become a member of Phi Theta Kappa a student must fulfill the following requirements. He must have an overall GPA of 3.4 on at least 12 academic hours. He must also pay all dues which consist of National dues of \$15 and local dues of \$5.

Students at ECJC who have met these requirements and are eligible for membership are: Jamie Adcock, Joan Alawine, Connie Bishop, Roger Broadhead, Eugenia Brooks, Linda Chaney, Early Clemons, Tammie Fitzgerald, Philippe Gaillet, Eula Gross,

Jimmy Gunn, Gwyn Guthrie, Flo Harkins, Amy Hendrix, Gennie Henley, Sonjia Herrington, Shellye Hill, Pamela Hillman, Jerry Holt, Ruth Hurley, Debra Killen, Randall Lee, Virgie Lindley, Linda Lofton, Margo Marveggio, Dinih Moss, Kim Murphy, Lisa Myatt, Anne Marie Nelson, Melissa Nester, Danny Peoples, Lance Peoples, Terri Russel, Heather Sammons, Lori Seal, Ken Stamper, Traci Stringfellow, Larraine Thrash, Zela Wilkerson.

The purpose of PTK is the promotion of scholarships, the development of leadership and service and the cultivation of fellowship among students of Junior Colleges in the United States. The PTK has been involved in several projects this year. During the fall Cindy Cleveland, Rob Loper, Randy Cleveland, Denise Tatum, Dona Wolverton, and Retha Bryan attended the State Convention held in Natchez. Other members have been involved in selling mums and candy in an effort to raise money for the National Convention being held in Houston, Texas in March.

Mrs. Heard and Mr. Mason, advisors of the PTK, urge all members who are interested in attending the national convention to contact them. Also, any new members who have not paid their dues need to see Retha Bryan or Mrs. Heard.

A musical melodrama....

'Little Mary Sunshine' cast chosen

By AMY ALLDAY On Monday, February 2, auditions were held in the Fine Arts Center to cast members for the upcoming spring musical, "Little Mary Sunshine", by Rick Boseyer. The musical, which is a melodrama that takes place high in the Colorado Rockies at the turn of the century, will be presented in the Fine Arts Center March 24-28 (Tuesday-Saturday) at 7:30 p.m.

Several students auditioned for parts, and according to Mr. Bruce Peterson, Director of the musical, casting was no easy job. The roles cast were: MARY (the heroine) Joan Alawine of CAPTAIN Union: JIM WARRINGTON (a forest ranger) David Reynolds of Louisville; NANCY TWIN-KLE (Mary's maid) Heather Sammons of Louisville; BIL-LY JESTER (a forest ranger) Mark Gunn of Forest; ER-**NESTINE** (a German opera singer) Retha Bryan, Neosho, Mi.; OSCAR FAIR-FLAX (a general) Scott Long of Philadelphia; BROWN BEAR (chief of the Kadota Indians) Hugh Roland of Forest; FLEET FOOT (the last of the Kadota Indians) Charles Comans of Newton; and YELLOW FEATHER (renegade son of Brown Bear) Mike Childress of Louisville.

It's time for egg control First-hand account of insurrection

By SCOTT F. LONG

have heard news cast and commentaries. I have read articles and editorials. I think it is my obligation as an editor to also give my ideas on this subject. What am I talking about, you ask? Weapons control I tell you. I shall talk about a different aspect of weapon control though. An aspect that affects you and I every day...or at least once a year. What aspect of weapons control am I talking about you ask? Egg control, I tell you.

Time was, when eggs were used only for food, just as their counterparts, the chicken... and the gun (which happens to be a weapon, therefore good for this example. Oh by the way for all you city people, contrary to your belief, cows are not raised behind the IGA. If you still haven't got the connection, guns were once used to shoot animals for food. Boy, some people, now where was I, oh yes. But then, at some time or another a group of reltless aborigines (otherwise known as teenagers) found that they could use the innocent articles as weapons. They were, at first, only used in season, a strange time of year known as All Hallow's Eve. They

then began to be used at other times of the year, though.

This past year seems to have been particularly bad in as much as egg assaults is concerned. The second week in August, immediately after appearing at the Neshoba County Fair, Governor Ronald Reagan was touring a ghetto of New York. While speaking to a group of citizens, he was the target of an egg shot. Fortunately, the President-Elect was display of egg warfare. On the night of December 15, 1980, at 11:30 p.m., there was an insurrection. A group of revolutionary terrorists attacked a government vehicle just east of Scott Hall. It was a senseless attack. The security guard's car was hit. Approximately twenty rebels were roaming the streets armed with their weapons. Every person out was a likely target and in danger. The act was rash. There was no

served as a maginificent viewing place. I could see the search light as it peered through the darkenss. I could see the rebels as they slowly advanced from hiding place to hiding place. I was reminded of the war days, when valiant German soldiers searched for rebel French in the same manner at St. Marie-Celeste.

Despite all they did, the faithful troopers did not capture one of the rebel soldiers. Each escaped to go about his daily activities as ordinary unsuspected college people, but admired as heros by the townsfolk for whom they were fighting.

The eggs the rebels used were purchased at a nearby store, without proof of age or identification asked for by

kinda like it myself." David Reynolds pointed out one of the advantages when he said, "There is more time in the period so more material can be covered in a single class meeting."

These were just a few comments that were made of the schedule. There were observations and suggestions, perhaps some of these could be used by the administration when fall schedules are planned, to make what many people think of as a good schedule even better. saved the embarrassment of having egg on his face. The same day, in Denver, a representative of the AFL-CIO was subject to a brutal egg barrage. He escaped without injury, although one Denver official was wounded. Presidential Candidate John Anderson also barely escaped harmful injury and shell shock in his crosscountry campaign.

Much closer to home though was an appalling reason for the assault. More troops were called out to guard against the crazed terrorists. The commanding constable ordered reserves from neighboring towns. The intrepid soldiers were searching the streets. They went through the hamlet with a twelve inch search light penetrating the shadows. I could see the action as it took place. Two rebel friends secreted me in their second story abode. It the proprietors. This can be done anywhere in the country. With this type of freedom, eggs (which do not need a machine to project them and are cheaper than regular weapons ammunition) will become one of the most widely used weapons of our time.

If this is not enough to prompt our lawmakers into passing legislation on egg control, then I'm afraid that our country will soon be the brunt of a brutal beating. And we will all be in the frying pan.

Counseing biggest joy for BSU's Miss 'B'

BY LINDA DYKES and SCOTT LONG

Miss Gladys Bryant, Director of ECJC's Baptist Student Union, recently celebrated her thirtieth anniversary in student work.

Miss Bryant; or as students call her, Miss "B", was born in Covington County and grew up in Hattiesburg. She attended Clarke College and New Orleans Baptist Seminary.

After college she spent years travelling three throughout Mississippi promoting Baptist Training Union. January 15, 1951, Miss "B" became BSU Director at East Central. She was at East Central for five years before going to Itawamba Junior College in Fulton. In 1962, after six and a half years at IJC and much persuasion from a local committee at Decatur. Miss "B" returned to East Central.

Miss "B" finds the greatest joy in her BSU work to be counseling students. "I feel God's leadership and guidance when ministering to the needs of students. With God's help, I am able to see beyond the surface to the heart of the student's need".

"The most tiring and energy comsuming part of BSU is in the trips. They are well worth the effort when you know that you are introducing students to people, places and circumstances that they may never have the opportunity to discover again."

discover again." Miss "B" feels that she has received the best cooperation than one could ask for from the Administration and Faculty at EC. "They have always been of the utmost help, and are really too numberous to name."

Student love is obvious whenever the name Miss "B" is mentioned. Scotty Goldman said, "I don't think we could have a finer director. She always has good advice to offer. No

dents view."

Lisa Wolverton, BSU secretary, said of her, "She's a very dedicated and hard working person." Steve McKay, who is chairman of Bible Study, remarked, "She is one of the finest Christians I know. She really means a lot to me and has helped me out many times." Despite the attempt of these students, words could not really express the love and gratitude of fellow students to this lady.

Miss Bryant was honored at Vespers on January 15. Special guests were Dr. and Mrs. Charles Wright, Mr. and Mrs. James Dykes and children and Mr. Ronnie Vaughn, who delivered the devotion.

Modeling squad booked solid through March

By SHERRY ROEBUCK

The ECJC Fashion Squad, directed by Mrs. Alice Pouncey has begun the second semester with a filled calendar of high school performances and one local club show.

On Thursday, January 29, 1981, the squad visited Philadelphia and Union High Schools.

The girls made three appearances on Wednesday, February 4, 1981. They performed at Forest at 11:00 a.m. Scott Central at 12:00 and Sebastopol at 1:30.

On February 17, the squad will take on three more schools and leave the campus ready to perform at promptly 7:00 a.m. The list for that day will include Neshoba Central, Carthage, and Edinburg.

Models for the squad will open the month of March with performances at Hickory on the 5 along with Louisville and Noxapater on the 18. During these shows, the girls will begin model. spring fashions. By wearing their own clothes, the girls can portray their ideas of typical dress styles of ECJC students.

Also during March, the squad will conduct a Charm Clinic for girls ages 9-15. The clinic will be held in the Home-Ec room. The girls will divide into four groups and learn about hair styles, make-up, fashions, and modelling. Each group will stay in each category for a 15 minute session. Participants will receive samples of products and brochures. To close out the month of

March, the Fashion Squad will perform for the Business and Professional Women's Club.

Due to the excessive amount of other activities in the month of April, the squad will not have any performance dates.

Freshmen models Joan Alawine and Lisa Harrell expressed their thoughts on being first time members of first trip to Philadelphia and Union on January 29, and everyone enjoyed it. I think these trips will be learning experiences as well as fun times together for the squad".

Lisa said, "I think that I'm really going to enjoy being a part of the squad. It gives me an opportunity to enjoy. I really like the girls on the squad and I feel that we'll all get along great''.

Sophomore model Di Jones said, "I have po ipated with the fashio squad for almost two years and each moment is not one to forget. I have had some really wonderful and exci-

New library service makes more publications available

The books and periodicals of the Mississippi Library Commission, the college and university's librarys across the state, and the large municipal libraries are only a request away for East Central students. This service is available from the EC Library for the first time. To take advantage of this service, students or faculty must make a request to the library by noon on Monday. The Mississippi Library Commission calls the local library each Tuesday morning to obtain requests. If the requested material is owned by the Commission and is

in, the material will be in the mail on Wednesday. Materials should arrive on campus by Thursday or Friday. If other libraries must be consulted, the material is mailed directly from there. Copies of magazine articles and books are available

for students. Faculty may

request audio visual materials.

Although there is no charge thus far for materials, only limited use of this service has been made. Mrs. Ann Burkes, librarian wants to emphasize the tremendous advantage of this service. "If students plan ahead and make allowances for time, this can be a great asset to our library". Materials can be ordered by subject, author, or title. However, requests should be made only for those items unavailable in the East Central library.

The Gauls were a fierce barbarian people of Celtic descent, who dwelt in the area of northern Europe now known as France, Switzerland, and northern Spain. Subsequently this area was named for them by the Romans; hence, Gaul. There warlike ancestors, the Senones, conquered and pillaged Rome in 300 B.C., and it was their aggressive descendents, the Visigoths, who sacked Rome some 700 years later.

New vo-tech center planned to serve PHS and NCHS

By ROBIN SHEPHERD East Central Junior College has made plans for a new vocational center to be built in Philadelphia. The building is designed to help prepare the student who is interested in learning a trade before entering a junior or senior college.

The vo-tech center will offer five courses, or trades. The courses to be offered will be based on a survey that ECJC gave all high school students, grades 9 through 12. The students picked the trade they were most interested in. After all the sheets are tallyed, the five most preferred courses will be the ones that the center will teach. No definite plans have

New soph dorm mother....

Her job is just like "Being back home"

By SHERRY ROEBUCK

For Miss Gloria Hollingsworth, being back at East Central is like "being back home".

Gloria has been selected as the new sophomore dorm mother. She came about this by visiting the campus and Dean Brackeen before Christmas holidays. She was asked to help out on week-

Choral festival held Feb. 27, 28

By SHERRY ROEBUCK

The ECJC Choir attended the Mississippi Junior College Choral Festival on February 27 and 28. This year's festival was held at Hinds Jr. College in Raymond,Ms.

Upon arrival on Friday, the choir registered and assembled for mass choir rehearsal which included all Junior Colleges that were represented.

On Friday evening, the ensemble groups such as the Collegians performed. The Collegians sang "My Life", a Billy Joel song which featured Todd Vance. They also sang "Let Me Be The One" which featured Barbara Green and "I Will Always Love You" that featured Tracy Dempsey.

On Saturday, the choir practiced in mass rehearsal twice and then gave an individual concert at midmorning. The numbers performed were "Upon This Rock"- John Ness Beck, "Dance To Thy Daddy"-Robert De Cormier, and "Hallelujah! We Shall Rise"- Thomas Williams.

Saturday afternoon and evening, the choir listened to the remaining concerts.

After all of the choirs had performed individually, the mass choir presented a concert. This year's mass choir was under the direction of Mr. Leroy Yarbrough. He has served on the faculty of the New Orleans Baptist Theological Seminary since 1976. He has also served as a music director, organist, minister of music, and other outstanding positions throughout the United States. Music performed by the mass choir was "Canticle of Praise"- John Ness Beck, "Little Innocent Lamb"-Marshall Bartholomew, "Lacrymosa"- W.A. Mozart, "Say Where Is He Born" and "There Shall A Star"- Felix Mendelssohn, "Sure on This Shining Night"- Samuel Barber, "Five Canzonets"- Jean Berger, and "Thy Truth Is Great"- Ron Nelson.

The choir directors also met on Saturday to decide the seven songs for the mass choir to sing at next year's festival.

D'watts Hotshots, and Showboat win tournament titles

By MARGO MARVEGGIO

D'watts Hotshots won the Women's Intramural Basketball Championship Tuesday, February 24, in a thrilling contest over the Lady Allstars. After the smoke had cleared, D'watt's Hotshots had barely beaten a stubborn Allstars' team 40 to 35. Jan Robinson, who scored 16 points, and Janice Welch, who also contributed 16, provided the

Wood, Cox & McBeath appear in star game

By MARGO MARVEGGIO East Central's Coach Lucille Wood has been selected to coach the South women in the Mississippi Junior College All-Star Game which will be held at Holmes Junior College on March 31. EC Warrior Aubrey Cox and Warriorette Debbie McBeath have been chosen to participate in the annual all-star contest. Both outstanding players are sophomores. Hotshots with the balanced offensive attack they needed to claim the number one position. The Lady Allstars, however, had two players, Deborah Johnson and Sylvia Lynch, in double figures, each scoring 10 points.

Members of the Women's Intramural Basketball Championship Team are Jan Robinson, Darlene Ezelle, Janice Welch, Renee Wilbanks, Callise McDill, Michelle Stokes, Lori Seal, Neci Peoples, Donna Wilkerson, Janie McMullan, Kay Kilpatrick, Zela Wilkerson, DeOnn Jones, Loretta Moffitt, Barbara Yates, and Gail Watkins.

In the men's tilt, the Showboats defeated String Music 55 to 51 in another close championship game. This game had a couple of shooters who each scored over half of his team's points. For the winning Showboats, Ricky Hornesburger pumped in 32 points, and Bobby Butler of String Music found the hoop for 26 points. The Men's Intramural

Basketball Championship Team consists of Gary Hawkins, Ricky Hornesburger, Bobby Hoye, Nelson Triplett, Oliver Harkin, and Clint Moore.

BSU Valentine dinner

By SCOTT LONG

On February 12, the BSU held its annual Valentine Banquet. Over thirty students attended the gala event. The theme of the banquet was "It's Love That Makes The World." It was under the direction of Gigi Street, fellowship chairman of the BSU. The banquet opened with a welcome by BSU President Todd Rogers. Special music was provided by Tom Middleton. The speaker was Rev. Randy Turner, and the banquet was closed with a prayer by Cindy Cleveland.

Special guests included Rev. Gus Merritt, pastor of Clarke-Venable Baptist Church, Rev. and Mrs. Randy Turner of Pocahontas Baptist Church, Clinton, MS; Tom Middleton; his guest, Holly Thompson, and pianist Alicia Farnham, all of Mississippi College.

Mr. Middleton's selection of songs included an Imperial favorite, "Praise the Lord", "Mountain Top"; and a drama/song by Ken Medema, entitled "The Place of Beginning Again". Rev. Turner's opening remarks included praise of director Miss Bryant and some encounters he had had with blind singer Ken Medema. He then gave some background on Valentine's Day, pointing out that the

first Valentine's Day stemmed from a Christian holiday honoring two St. Valentines who were both martyred on February 14. Exchange of gifts was originated by Geoffrey Chaucer, as well as the idea of romance. He then compared the American celebration with the customs of other nations. His message dealt with one of three kinds of love, that is the love of God. Rev. Turner expounded on this love with references from the Bible and personal experiences.

This year's annual Valentine Banquet was a learning time for all who attended, whether they were sweethearts or not.

For "Little Mary Sunshine".....

Back stage workers have big responsibilities

By AMY ALLDAY

When the curtain goes up March 27, at 7:30 p.m., the audience will be entertained by the musical "Little Mary Sunshine" by Rick Boeseyen. What they don't see, (or notice) is all the hard work put in by Mr. Peterson's Fundamental of Theater class and members of the Players. They are the folks who stage the production. Helping Mr. Peterson in the role of Assistant Director is Dela Donald, who has perhaps the greatest responsibility. It is her duty to attend all rehearsals and to direct the rehearsals in Mr. Peterson's absence. Dela is also responsible for getting everyone on stage at the precise moment, making sure that things run smoothly during each performance. Serving as Secretary to

the Director is Wanda Harris. Her job includes attending all rehearsals and taking down any notes or changes to be made, as well as typing up forms and letters.

Production Assistant Flo Harkins is kept busy attending rehearsals. She works with Mr. Peterson, and the other committee chairman in order to produce a minding them when intermission is over and the play is to resume, and in selecting and directing the ushers, who are members of the fashion squad.

Publicity is being handled by co-chairmen Donna Mayo and Amy Allday with help from Denise Tatum, Debbie Killen, and Lori Seal. They have been busy preparing notices of auditions, making posters to be sent to the towns in the five county area, writing articles for publication, sending letters to high schools and club organizations, and producing radio spots. She must make sure that there is enough makeup for each performance, that the makeup is applied correctly, and that each character is properly made up, including hairstyle.

Vicki Salter is responsible for Ticket Sales. She has to keep accurate records of each ticket sold and every seat reserved for each night's performance. Assisting her will be some of the Fundamental of Theater students who will help sell the tickets in the business office each afternoon. Winners of the Individual Intramural games are, left to right, first row: Ricky Chesney, foosball; Leo Beatty, ping-pong doubles; Jeffrey Coleman, checkers; second row: Wanda Harris and Diane Jones, spades; Kerry Huddleston, foosball; third row: Kelvin Burley, ping-pong singles; Robert Wade, chess; fourth row; Bobby Jones, ping-pong doubles, and Jim Kilgore, eight-ball.

Intramural winners place well in state **JUCO** competition

By MARGO MARVEGGIO On February 2, 1981, the Individual Sports Tourney was held. Many students participated in the annual tourney in such events as ping-pong singles and doubles, checkers, pool, spades, chess, and foosball. In the singles division in ping-pong, Kelvin Burley claimed the title. Burley then teamed with Michael Charles to take the pingpong doubles championship. In checkers, Jeffrey Coleman once again clinched the EC championship. Coleman also won the State Junior College checkers championship which was held February 27-28 at Gulf Coast Junior College's Jackson County Branch. This

was Coleman's second State Checkers Championship, having won the event both years he participated in it.

Jim Kilgore proved to be the best in pool in eight-ball. Kilgore also represented EC well by placing fourth in the State Championship. East Central's other winners were Diane Jones and Wanda Harris in the spades competition, who finished third in the State; Robert Wade, who placed fourth in the State in chess; and Kerry Huddleston and Ricky Chesney, fourth place finishers at State in foosball. Leonard Beatty and Bobby Jones represented EC at the State Championship instead of Burley and Charles in doubles' ping-pong.

Girls, boys fall in first round

By MARGO MARVEGGIO The EC Warriors and Warriorettes finished the 1980-81 basketball season in February in first-round losses in the South Division Playoffs. The Warriors fell to Gulf Coast 87 to 52 at Gulf Coast on February 16, and the Warriorettes found the Hinds Lady Eagles to be too much as they lost 59 to 52 in a contest at Hinds.

Aubrey Cox scored 26 points, and Mike Shirley added 13 to lead the Warriors in their losing effort against Gulf Coast. For the Warriorettes, the scoring went as follows: Debbie

McBeath had 18 points; Sheila Welch, 16; JoAnn Earnest, 8; Sandra Edwards, 4; Tina Tumbling, 2; Patricia Patrick, 2; and Kim Lee contributed 2 points.

On February 10, East Central hosted Utica Junior College for two basketball tilts. The Warriorettes came up short against Utica 70 to 58. A contributing factor in the outcome of the game was the 25 turnovers the Warriorettes committed. Debbie McBeath, Sheila the 1980-81 season was Aubrey Cox, who averaged 10 rebounds and 20 points per game, scored 461 points the entire season, and made

Welch, and JoAnn Earnest paced EC with 22, 18, and 16 points, respectively. Earnest also had 19 rebounds. and Welch grabbed 10 rebounds and shot 6 out of 7 free throws. Deborah Phillips also added 2 points.

The EC Warriors pulled out an exciting 81-80 victory over the Utica men with George Gray sinking 22 points and Mike Shirley tallying 21 points. Other scorers were Mike Harvey and Mike Graves, who each scored 14, and Aubrey Cox, who chipped in 10.

The top Warrior scorer for 51% of his field goals and 76% of his free throws.

Mike Shirley, who made 42% of his field goals and 86% of his shots from the charity stripe, averaged 14.2 points per game, and George Gray averaged 13.2 points per contest and made 44% of his shots from the field and 48% of his attempted free throws. In assessment of his 1980-81 Warriors' season, Coach Herman Robinson commented that this was his first losing season in 27 years of coaching and, thus, was disappointed in the final outcome. He assures everyone that he is looking for better recruits who will do a better job for the Warriors next year.

PTK national convention is in Houston

By SCOTT LONG

The annual Phi Theta **Kappa National Convention** is scheduled for March 26-28, in Houston, Texas. This year's convention will be held at the Shamrock Hilton. Special guests at the banquets and programs will include Mr. Bert Lance, Texas dancer, Manning Smith, and Ohio State University professor, Dr. Roger Blackwell.

Attending from East Cen-tral Jr. College will be Mr. Rudolph Mayes and Mrs. Sara Heard, sponsors and about ten Phi Theta Kappans. They will leave Wednesday the 25th of March and return Sunday the 29th.

Also of interest to members of PTK is the upcoming Honors Institute. This year it will be held from June 7-12 at State University of New York at Purchase. The theme will be "The Plays the Thing". With the focus on theatre, the special guest will include Beth Henley, a new Mississippi Playwrite, Iris Siff, Managing director of the Nina Vance Alley Theatre, and Watson B. Duncan III, Professor of Drama at Palm Beach Jr. College, Florida, and mentor of Burt Reynolds and Markham. Any Monte member interested should see Mrs. Heard or Mr. Mayes.

Representatives for next year will be chosen at the beginning of the fall semester.

Four sophomores have been named to East Central's Hall of Fame for 1981. Given the honor are Cindy Cleveland, Scott Long, Ted Pope, and Tina Tumbling.

Selection is based on leadership, scholarship, participation in school activities, character, potential for future accomplishment, and contribution to the school. Only graduating sophomores are eligible.

Cindy Cleveland, of Union, has been active campus-wide in a multitude of activities ranging from cheerleading to Phi Theta Kappa. She served two years as a cheerleader and two years in the band's auxillary corps as a rifle girl. Since she plays both the flute and the piano, she has shared her talents by playing in the orchestra, for the Collegians, and in many other capacities on campus. Cindy was Homecoming Queen this year. Other campus activities Cindy has also participated in the Tom-Tom, while maintaining a 3.59 grade point average.

Scott Long, a graduate of Philadelphia High School, is

serving as editor of the Tom-Tom. He has been active in Phi Theta Kappa and has participated in the dinner theater and Spring Musicals both years at East Central. Scott plans to major in pharmacy at Ole Miss next year. Scott has also been a member of the choir for four semesters. Scott's grade point average is 3.67.

Ted Pope, of Philadelphia, is serving as SBA president for this school year. Ted has maintained a 4.0 grade point average while serving as photographer for the Tom-Tom, reporter for Alpha Alpha Epsilon, and a member of Phi Theta Kappa. Ted is an engineering major and plans to attend Mississippi State.

Tina Tumbling, a native of Newton, has been active in athletic activities on campus. She is a member of both the basketball and softball teams. She is a member of Wesley, Phi Theta Kappa, and the Tom-Tom staff. Her grade point average is 3.60. Tina plans to attend the University of Southern Mississippi and major in pre-law.

Student apathy

By SCOTTLONG

A few weeks ago the drama department brought to this campus a professional group of actors from the Sheffield Ensemble Theatre, Biloxi, in the musical production BEANS. I attended both performances and thoroughly enjoyed it each time. It is my opinion that the school could profit from more activities of this nature coming to our campus.

It has been reported to me that many of the SBA sponsored dances run low in attendance, in fact only about 8% of the dorm students attend these dances. I think, perhaps, if the SBA would spend this money on dramas or concerts, there would be more student participation, even if the student had to pay for tickets in order to help pay for the groups. But then on the other hand a whole lot can't be said for student participation this year.

As all of you know this years "annual" Freshman-Sophomore prom has been cancelled "due to lack of interest." This lack of interest has two main contributors. First, the freshmen did not pay their dues. Second, and really more important, neither sophomores nor freshmen showed any interest in going to the prom this year. It is my sincere opinion that unless the students get off their duffs and get rid of this apathetic attitude that any and all student activities may cease to exist on this campus.

Students will seek out their own entertainment. The college should provide cultural enrichment that students would not be exposed to otherwise. That is what education is all about.

By AMY ALLDAY

On Friday, April 10, 1981 at 7:30 p.m., the ninth annual Miss East Central Junior College Scholarship Pageant was held in the Fine Arts Auditorium. The Pageant, sponsored by the Wo-He-Lo Yearbook and Staff, consisted of twentyone contestants.

The contestants competed in swim wear, evening wear, and talent. They also had a seven minute interview with the judges and were honored with a formal tea.

Crowned as Miss ECJC 1981 was Miss Retha Bryan. She won a \$500 scholarship to the school of her choice. Miss Sandra Johnson was chosen as first alternate. She won a \$100 scholarship to the school of her choice. Chosen as beauties were: Joan Alawine, Lisa Parker, and Shannon Richardson. Debra Johnson was voted the title "Miss Congeniality" by the other contestants.

Sophs win last event to win Class Day

By SHERRY ROEBUCK

The freshmen were on top during Class Day Wed., April 15, until the last event which cost them the title of Class Day champs.

The events went back and forth with the sophomores winning the balloon race, the opening event. The freshmen had a chance to show their stuff by winning the next event, which was the sack race.

The third event was a delicate one. Jane Harthcock and Gary Barber proved their agility by winning the egg toss. Some, not quite so lucky ended up with egg on their face.

Next came the over and under which didn't prove so successful due to a little cheating from both sides. The freshmen returned, however to claim the piggy back competition. The balloon royal had to be cancelled because the competitors kept stepping on their balloons before the event could get started.

The sophomores took the next two events with ease. Mike stooped way down low to win the limbo event. James Mitchell played monkey and downed several bananas in a matter of seconds to capture the banana eating contest.

Francis Hornesburger and Cassandra Gillet exploited their arm strength to claim first and second place in the girl's softball throw.

There was no question as to who would win the men's softball. Randy Hornesburger, Mr. Super Jock himself, threw what seemed like a couple of hundred feet to win the event.

The car push went to the sophomores although the freshmen didn't do half bad.

The last two events were divided up. The freshmen took the relay race while the sophomores took the determining event which was the bunny hop.

Despite the fact that the sophomores won, there were no hard feelings, only fun and anxious await for next year.

As a main attraction for

Class Day, everybody got to enjoy a little down home Gulf Coast Wrestling. Doug Hubbard, being the muscle man that he is, bravely took on James Mitchell who's only an extra large football player. Even though the match was just a little rigged, Hubb defeated Mitch to close out the 1981 Class Day events.

Class Day is sponsored by the Recreational Leadership class taught by Miss Lucille Wood. "Southern Miscellany".....

Ethridge's essay in new release

Dr. Richard Ethridge looks over his recently published book.

The University Press of Mississippi has recently released a new publication titled Southern Miscellany: Essays in Honor of Glover Moore. The book is a compilation of essays by seven professors of history who were students of Dr. Glover Moore at Mississippi State University and who now teach or direct research in universities and colleges throughout the country.

Dr. Moore, who retired in 1977, was professor of history at Mississippi State for forty-one years. Dr. Moore's scholarly reputation rests upon his years as an instructor, his book The Missouri Controversy, which is a treatment of the complex subject that was temporarily resolved by the Missouri Compromise, and his meticulous supervision of those scholars who chose to study under his direction.

The essays included in Southern Miscellany range

from the Civil War to civil rights and from yeomen to yahooism. The essay written for the volume by Dr. Richard C. Ethridge of the East Central faculty is titled "Southern Attitudes Toward Slavery and Secession in 1860 and Early 1861 as Reflected by DeBow's Review." Dr. Ethridge holds the distinction of being the only Junior College professor to have an essay in the collection.

The book has received good reviews and will be a fine addition to any research library or any collection of writings about the South.

NEW EC CHEERLEADERS

Charlotte Comans from Decatur High School (left), and Kim Chamblee and Teresa Steele of Newton High School were recently selected to the East Central Jr. College cheerleader squad. They will join freshmen cheerleaders Teresa Goodwin, Vikki Jenkins, and Diane Griffin. Not pictured is Summer Posey from Neshoba Central High School, who was also selected.

Members of the Junior College All-State Band are Retha Bryan, who was selected first flute for the state; Joe Williams, Debbie Killen, Heather Sammons, and Todd Vance.

BSU officers attend Leadership meet

By SHERRY ROEBUCK The 1981 BSU officers attended the Leadership Training Conference at Gulfshore Baptist Assembly in Pass Christian on April 10-12. Ms. Gladys Bryant, director, Mr. Al Deaton, and several officers from last year attended the conference also.

This year's conference entitled "Equipped For Action" strived toward the goal of getting BSU officers prepared (both mentally and spiritually) for their jobs next year.

During the conference, the officers attended meetings which included music by "New Light" from Jones Jr. College, a Bible study, and a message. Also during the meetings the officers gathered in small groups to meet a summer missionary and to get a prayer partner for the remainder of the weekend. Each meeting was different in way of Bible study, message, and special music. Providing the variety for the weekend meetings were "Gift of Song", the Blue Mountain College Mime Team, and speakers from throughout the state. During the day, the officers attended conferences according to their position. There were those for the BSU presidents and vicepresidents along with all other offices that a BSU might have. As an optional conference the officers were allowed to attend special interest labs which were very helpful in preparing the individual for a responsible position.

While at the conference the participants had the privilege of meeting the 1981 Summer Missionaries. These students from various colleges will be serving throughout the United States and seven foreign countries.

This year's BSU officers

are: President- Scotty Goldman; Music Chairman- Mis-Watson; Fellowship sy Chairman- Traci Stringfellow; Worship Chairman-Kathy Yarbrough; Missions Chairman-Shellye Hill; Outreach Chairman- Bill Watson; Bible Study Chairman-Rita Dobbs; Publicity Chairman- Clifton Seals; Drama Chairman-Steve Brock; Student Center Chairman- Betty Daniels; BSU Paper Editor- Sherry Roebuck; Secretary-Barbara Yates.

Meal management eats their work

During this semester, the Meal Management Class has been involved in a number of projects. Two of these have been the preparation of luncheons. Each luncheon had three guests, two class members, who acted as the host and the hostess and the sponsor Mrs. Pouncey.

The first luncheon was planned around a Western theme. It was held on Wednesday, February 18, 1981 at 11:45 in the dinning room of the Home Economics Department. The teachers honored at this luncheon included Dean Rives, Mr. Hicks, and Mr. Dykes.

The second luncheon, an Easter luncheon, was held Wednesday, April 1, 1981. The guests included Mrs.

Burkes, Dr. Fisher and Miss Hollingsworth.

Both luncheons involved several hours of planning and preparation. The planning of the first luncheon was the responsibility of Alice Smith, Dianne Jones, Shannon Richardson and Linda Chaney. Kenny Baker, Stephanie Alexander, Cookie Floyd, and Michelle Stokes shared the planning and responsibilites of the Easter luncheon.

Each year the class tries to invite guests who never attended one of the luncheons.

The number of luncheons held each year depends on the number of students in the Meal Management Class.

Everyone agreed, the cast and crew of "South Pacific" did a great job, in this their second, musical production.

The idea has been around for a number of years. That idea is the teachers tea. This

years tea was given Wednesday, April 22 at 2:00 p.m. to 3:30 p.m. in the Dining Room of the Home **Economics Department.**

The Teacher's Tea was the largest activity of the Meal Management Class. The arranging of the tea involved much time and preparation, which was under the supervision of Mrs. Alice Pouncey.

The purpose of the tea was to honor the faculty and staff of East Central Junior College. The special purpose was to honor those in which 1981 made their twentieth year at East Central Junior College. This year Dr. Richard C. Ethridge and Mr. Olen Lavanne Newell were honored.

Some of the specialities featured at the tea were Cheese Balls, Pick-Me-Ups, Sausage and Biscuit, Spitz, Chocolate logs, Little Bits and others.

A large number of people responded to the over one hundred invitations that were sent out.

Sun tan season is here

By IMA WATCHIN' YEW In the Spring a young man's fancy turns toward... sunbathing. SUNBATH-ING?! Ah, but 'tis true. Over the past few weeks several of ECJC's male population have been caught soaking up the rays of the sun, so they will be able to flex their lean, muscular, TANNED bods for some admiring co-ed.

For those who are unaware, or uninformed, the roof of Scott Hall has been converted into a huge sundeck. Because EC does not provide adequate facilities for male sunbathers, (could this be discrimination?), these brave, dedicated, rescourceful men had no alternative but to risk their very lives and limbs in order to achieve the ultimate - a perfectly even tan.

However, those afraid of heights have been spotted in select positions on the lawn of Scott Hall, the Home of the Sun Worshippers, relaxing in their favorite - you guessed it - LAWN CHAIRS. Unfortunately, those who do not possess, (Or cannot steal) one of these coveted pieces of furniture, have been seen

making the best of it with their old reliable blankets and/or sheets.

Then there are the bashful Sun Worshippers. They get their tan subtley. They vie for positions on the lawn and proceede to pitch baseballs, throw footballs and frisbees, and "practice" their golf swings, in order not to draw attention to themselves.

For years it has been believed that sunbathing is a ritual practiced by only females. But now the myth has been disproved, for I saw YOU.

P.S. Make sure you use plenty of suntan lotion:

Gary B., Jeff L., Ricky A., Bobby B., Carl F., Jeff H., Truitt N., Jim K., Jay J., Tony D., Bob Y., and Robert C.!

We'd hate to see you burn!

Debbie McBeath was named to the All-State Team. Jo Ann Earnest and Sheila Welch received Honorable Mention.

State money cuts cramps budget

By KENT K. PECKHAM A late coming state decree has left the college in an unfavorable financial condition, and students are being required to make up part of the inbalance.

Says Dr. Charles Wright, "The college receives three

Homecoming nominations

By STELLA BUCKLEY Nominations for the 1981 Homecoming Court will be accepted on September 8 through September 12.

To nominate a candidate, a petition must be obtained from Dean Denver Brackeen. The petition must be signed by twenty-five students and returned to Dean Brackeen's office by September 12. The election will be held on September 16 and the run-offs will be held on September 18. The Homecoming Court will consist of: three Freshmen maids, three sophomore maids and a Homecoming Queen. The runner up to the Homecoming Queen will be the Maid-of-Honor.

types of funding...(these being) state, county, and student fees. The state (this year) made appropriations which included funds for a 7% increase in employee salaries." Acting on this information, the college entered into contracts with it's personnel in which the 7% raise was included among the terms. However, on July 2, 1981 the State Department of Budget and Accounts reduced the raise from 7 to 3.5% which left the college to find the means of raising the additional 3.5% (approximately \$51,000) necessary to operate the institution.

As a result of the state's action, the school has adopted several policies designed to recoup the lost income. For example, money allocated for employee travel has been reduces as well as that provided for the purchase of utilities. Furdepartment thermore. heads within the school system have been asked to reduce departmental budgets to the absolute necessities "without causing discomfort" or lowering the quality of education available to the students. Students also will be affected by the state decision. For the first time in the history of the institution, the school is accessing a \$75 per semester for the students who ride it's busses. This, says the administration, will help to defray the cost of fuel and repairs formerly paid in totality by the school. In addition, all students will pay a \$30 fixed fee at registration each semester, which will, in one year, bring the school approximately \$45,000.

Another attempt to save money is a change in the

policy governing the ordering of supplies. Formerly, needed supplies for the school were ordered on an annual basis, but beginning this year, department heads are being directed to order on a quarterly basis. It is believed that this change will cut down on the amount of material wasted.

Dr. Wright also encourages the students and faculty to be more energy conscience and turn off all appliances when not in use. Residents in dorms with individual thermostat controls are reminded to turn the unit completely off when leaving the campus for the weekend.

Despite the current financial woes, the administration stresses that no programs or services have been curtailed or eliminated.

Summer projects resurface streets; roofs are repaired

By Kent K. Peckham

This summer saw several massive revitalization programs take place on campus at a cost of \$109,098.

The most obvious of these efforts was the resurfacing of many of the school's streets and parking lots. Funding for the project came from state appropriations in concert with monies from the five counties which help to support the college. The total cost of the amounted to project \$55,800. Also, a substantial saving was realized by using personnel already under retension to paint the dividing lines rather than contracting the job.

As well as presenting a favorable image to visitors of the college, this improvement will provide a safer environment for students and be easier on auto suspensions than the previous surface. Most students will never have occasion to notice the second refurbishing project but will appreciate it none the less. again funding was provided by both state and the supporting counties.

In the case of the Administration Building, the formerly flat roof was raised 4 inches in the center. providing improved run-off as well as dead air space for additional insulation which was installed during the reroofing process. Exact figures for any energy savings brought about by the installation of the insulation are not available, but competent authority, Dr. Charles Wright, suggests that the building is decidely cooler than it was last year at this time.

Nominees for Homecoming Queen must have a 2.0 average. There are no other requirements. At a cost of \$53,298, the Fine Arts Building and Administration Building have been reroofed; once

vingston University, and Emory University, Atlanta, GA. While at East Central and Livingston, he was active in Wesley, the campus organization for United Methodist students.

Prior to coming to Decatur, Rev. Riley spent two years as associate pastor of First UMC in Monroe, LA, a church of 1800 members located near the campus of Northeast Louisiana University. Prior to that he was pastor of Summit UMC and worked with United Methodist students on Southwest Mississippi Junior College Campus and was on the faculty where he taught Bible.

He will be on campus available for visits with students. The UMC Campus Ministry Office is located above the Student Center.

By ROBIN HUDNALL East Central Junior Col-

lege has graduated thousands of students. Some who continued their education were successful, and others who failed at their particular fields.

We would like to introduce you to six (6) alumni students from East Central Junior College who are successful authors.

Fred Ray Blocker, who attended East Central Junior College from 1945-1946, presently lives in Edinburg. Mr. Blocker is a member of the Board of Trustees at East Central. He is a retired school teacher and is presently working on another novel.

Dan Young, a native of Winston County attended East Central from 1937-1939. He has taught at Southern University, Mississippi State, Delta State and is now Vice Chancellor at Vanderbilt University in Nashville Tenn., where he taught English before attaining his present position.

Sarah Alatha Chaney a native of Hickory, Mississippi in Newton County, attended East Central from 1939-1941. She graduated from Mississippi Southern University. She taught school for one term in Chunky, Mississippi in Newton County. She was drowned at age twenty (20) in the Bowie River. The people who knew Sarah, said she was a great lover of life. She enjoyed being around people and nature.

Frances Jackson Thames, the wife of Jim Thames, attended East Central from 1933-1937. She was mother to Reginald and Billy Jack Thames, who are presently living in Newton County. She was an active participant in Civic Projects and club work in Decatur, her home town.

Hedy Williams, an honor student at East Central attended this institution from 1959-1961. She was a member of the Tom Tom Staff.

Riley Munday, a Philadelphia native, attended East Central in 1938. Presently he is a Methodist Minister. He graduated from Mississippi College and the Baptist Seminary. He was Interim Minister in Southern Baptist the Church. He was poet Residence at Columbia College. Two of his books are in the fourth pressing and one is in the second edition.

All of these authors have books on display in the Library. We urge you to read some if not all, and see what East Central has to be proud of. We promise you good reading.

Full slate for fall..... **BSU 'Share Seminar' is Sept. 16**

By SHERRY ROEBUCK JC Baptist Student Union began preparation during summer vacation for this year's slate of activities. The first event for this month will be the Share Seminar, Sept. 16. Conducting this year's seminar will be Ms. B.J. Frew from Hinds Jr. College. The purpose of this event is to show students ways to share their faith more effectively. On Sept. 25-27 students will travel to the BSU State Convention in Columbus, MS. The convention offers inspirational messages, mu- in their chosen vocation. sic, and many other activities. Speakers for the convention are Dr. Chester Swor, a world known youth speaker, and Dr. Baker Cauthen of Richmond, Virginia. Native of Afghanistan.... Foreign student enjoys EC

By SHERRY ROEBUCK

So often students and older adults take living in America as well as receiving an education for granted. To some however, it's a dream come true.

Said Nizamuddin Hashimi has been on campus at EC for about two weeks. He came to America to escape the Communist Party in Afghanistan. Said commented, "They want me to be a part of their Party, but I don't like it".

When asked if his stay here so far was satisfactory, Said stated, "I am very happy, the Americans and teachers here are helpful".

Said lives with his stepmother and two sisters near Conehatta. He stated that even though he has family here, in time he hopes to make new friends.

Even though Said is having little difficulty in learning, he did admit that there are quite a few differences in our way of doing things. For starters, we speak English where as he is used to the Persian language. Said said that he has had the most trouble with his English and driving techniques. He also mentioned the fact that we as Americans are very liberal with what we say, while people in Afghanistan have to be cautious of what they say.

Not only are American schools different but also our sports. Said acknowledged his taste for volleyball which is a leading sport in Afghanistan. On our campuses we turn to football, basketball, and baseball. Speaking of football, Said stated that in Afghanistan the game of football is played more with the feet than with the hands. He said that here people use their hands and not their feet.

Said stated that his plans are to stay here due to the conflict in Afghanistan and continue his education here at East Central.

Academic tutoring paying dividends

By SHELIA WELCH

The first step in any new direction is always filled with excitement, adventure, confusion, and personal challenges. As each person went through high school, he can remember how teachers and school authorities frequently watched over him. The protective days are over now and the sky is the limit.

There are two means of getting academic tutoring: the professor and the East Central Special Services for counseling and tutoring.

The Special Services program is based upon the increasing need to assist students in the understanding of a subject matter which was not clear in the previous class meeting.

The "FREE" tutoring program can mean the difference in successfully passing a course or completely failing it. Last year, 52% of the students enrolled in Special Services improved their mid term grade point average at the end of the first semester. 42.4% had above a 2.00 average while only 20% had less than a 1.00 grade point average. The classes have already begun. There are approximately 70 vacancies in the tutoring program to be filled by freshmen and returning sophomores. It is important that students act now and prepare for the challenge instead of waiting until midterm after "all else has

failed."

Classes will be arranged at the convenience of the student to best satisfy his or her needs. Help is available if one desires it.

Qaulified fellow classmates, recommended by the teachers, will be tutoring the classes. Each freshmen who is interested should contact Mr. Henderson in the Agriculture Building or Dean Brackeen in the Student Service Building.

New IBM computer will upgrade data

By KENT K. PECKHAM

The proposed acquistion of a new computer system, manufactured by IBM and designated the Series 34, will improve student services as well as provide data processing students with the professional training necessary for employment in various high-technology fields.

"One year ago...to improve the institution's offering in the data processing program and services to students, a program was drafted (by the school) and submitted to the Department of Education (for the purpose of obtaining financial aid) under the Title II program of the Higher Education Act in the hope of securing an updated computer system for the colege.)", recounted Dr. Charles Wright, when queried. Initially, the program proposed by the college was rejected; not withstanding this set back, under the direction of Dr. Tucker, the presentation was overhauled and resubmitted for consideration by the Department of Education. The new package was accepted, and the school received federal aid amounting to \$88,724 for the purchase of the system.

The money received will be divided into 3 general categories for disbursement: (1) part of the funds will be spent for a study during which the school's needs will be determined, (2) part will be set aside for the instruction of faculty members in the operation of the system, (3) another portion will be used for the the school foresees no difficulty in obtaining such authorization and hopes to accept delivery of the system in June of 1982.

As of yet, it is not known exactly with what information the computer will be programmed. According to **College President Charles** Wright, "we hope to develop our own programme (while) leaning on the other colleges in the area (which already have similiar systems in operation.)" By so doing, the college will be able to save a large percentage of the programming costs as well as receive an imaginative program for a host of service and training purposes. After installation, the IBM machine will provide a myriad of services to a widely diverse group of users. As well as providing training to data processing students, it can be used to keep records such as financial data, transcripts, and, in keeping with the times, play games such as chess or even (good Lord) Star Invaders.

system itself and the installation costs.

In addition to the federal aid received, the State Vocational Education Department has agreed to supply monies not to exceed \$50,000 for other costs encountered in bringing the device into operation.

A potential problem is that the entire computer complex must be sanctioned by the Central Data Processing Authority; however, Larry Jackson is replacing Bob Heritage in the Music Department this year while Mr. Heritage pursues his doctorate at the University of Southern Mississippi.

12 out-of-staters are Warriors

Why would football players come hundreds of miles to play? Most of them come because they love the game. Some come because they hope to continue their education and athletic career at senior colleges. Some even come to earn their way through school, even though they could earn more money at a part-time job.

For some the two years here are made up of lonely weekends when everyone else goes home to Mother's cooking and the girls they left behind in high school. Others make the adjustment by going home with friends and discovering new girls. What happens, in many cases, determines whether they last the first semester or not.

On the Warrior team there are twelve out of state players. From Georgia, Alabama, and Louisiana they come to play the game. But how did they get here, and why do they stay? The reasons are as different as the men themselves.

Bob Yarborough came to East Central because of the assistant coach at his high school. According to Bob, "Mississippi's junior colleges provide a great foundation." He believes that East Central can give a player the chance to play major college football in the future. Bob is a sophomore from Morrow, Georgia.

OUT OF STATE PLAYERS making their home field debut tonight are: front row, left to right, Jeff Knowles, Micha Hazlewood, Raymond Alley, Joe Douglas, Bob

Mike Mason also came to East Central at the recommendation of his high school coach. In explaining why he participates in East Central's football program, he said, I like the way it is run. Mike is a freshman from Birmingham, Alabama.

Scott Quisenberry is back at East Central for his second year. His high school coach influenced his decision to come here. Scott says, "I like East Central's environment. For a junior college it's pretty good."

Raymond Alley, a sophomore from Forrest Park, GA, has made himself right at home in this area. He was given a recommendation by his high school who had reca attended East Central. Ray-hig mond plans to continue his kne education in Mississippi at is

Southern. Jay Brown, a sophomore, is impressed by the school's academic program as well as its football program.

Micah Hazelwood came to East Central because of a recommendation from his high school coach, who knew Coach Pouncey. Micah is optimistic about the team's chances for the coming year. He said, "Things look pretty good so far. If we keep our heads right we ought to do pretty good." Micah is from Morrow, Georgia.

Holmes eakes out 10-7 win

Last Friday night at Holmes Junior College, the ECJC Warrior football team was defeated in a very exciting game by the score of 10-7. Despite the fact that the game was played on

a wet field, those who were spectators thoroughly enjoyed it.

Holmes managed the only score in the first half and held a 7-0 lead at halftime.

Complete intramural slate being designed for campus

This year East Central has a full array of intramural sports for those who attend Immediately following flag football this year, an intramural volley-ball Holmes scored again in the third quarter on a field-goal and led 10-0. However, in the final quarter East Center did the final scoring on a one-yard plunge by Warrior quarterback, Jim Kennamer.

Some feel that despite the score of the game, that East Central has an excellent team this year, and stands a great chance of winning the south half in the conference.

On Thursday night, Sept. 10, at 7:30 p.m., the Warriors will take on Copiah Lincoln Junior College here on the field located on the far-end of the campus. Perhaps with better playing conditions and all the support of the home fans, EC will make Co-Lin its first victim.

EC. The program is headed by Mr. Glenn Hicks and Mr. Mike Anderson. There is also a number of students who will help in calling the games.

First on the list of sports to be played this year is flag football. There are already nine teams (5 male teams, and 4 female teams) participating in the intramural league. Games are to begin this week, but at press time no schedule had been posted. league will be formed. After volley-ball, basketball is next on the agenda. And finally in the spring, a softball league will be set up. All these activities are available for both male and female students.

Anyone who is interested in participating in intramural sports this year should see Mr. Hicks or Mr. Anderson in the office which is located in the game room in the student center.

We ask that everyone that possibly can, to be on hand to root for the Warriors. Your support will certainly be appreciated.

Jerry Holt Sports Editor THE SBA SPONSORED a Freshman Talent Contest to give freshmen and Sophomores an opportunity to get better acquainted. Winning the contest was Harold Dean (left), who sang "Three Times A Lady" while accompanying himself on the guitar. He was also asked to give an encore while the judges were out and again after the winners were announced. Pam Shelly (left), of Sebastopol, was the second place winner. She sang "God Smiled On Me." Marie Lewis was the third place winner.

HOMECOMINE

Griffin reigns over '81 Homecoming

By SHERRY ROEBUCK

A vivacious personality and a continuous smile help serve as building blocks for this year's homecoming queen, Dianne Griffin of Union. Diane is the 19 year old daughter of Mr. and Mrs. Dan Griffin.

At East Central Diane serves as a Warrior cheerleader. She is also a member of the Fashion Squad. Last year Diane was freshman maid at homecoming and was elected class favorite in the Who's Who. She is presently serving as sophomore class secretary.

This is the second time Diane has been elected homecoming queen. When she was a senior at Union High School, she was their homecoming queen. She won many other honors in high school. She was elected homecoming maid her freshman year and also cutest and class favorite. In her sophomore year she was

re-elected cutest along with friendliest. In her junior and senior years Dianne was chosen Best Personality, Homecoming Queen, and Miss UHS.

At UHS Diane was elected to many responsibilities in addition to her honors. She was a member of the student council for four years, a cheerleader for five years, and secretary of the student body her senior year. She participated in the Sportsman Club, FBLA, the Drama Club, FHA, and U Club.

In addition to Dianne's school honors, she was named an alternate to Miss Neshoba County. In that pageant she was named **Miss Congeniality and Miss** Photogenic in 1978 and 1979.

When Diane is not participating in the many activities that fill her busy schedule, she enjoys reading, playing tennis, riding

another extra curricular organization on campus for the enjoyment and enrichment of the students. The Fellowship of Christian Athletes was organized to present to athletes and coaches the challenge and adventure of receiving Jesus Christ as Savior and Lord. Evangelism through fellowship is the idea behind FCA. It is an organization in which ordinary people help each other become better persons-better in the knowledge of what God can do if He is given control of a life. The FCA is national in operation and is composed of men and women from the athletic/faith community who desire to advance the ministry of Christ in all areas of life. Choir seeks new members

By SHELIA WELCH The Wesley Choir, under the sponsorship of Mr. Henderson, met Tuesday, September 28 to elect officers and make plans for future appearances. Appearances consist of the Fall musical and the Spring Festival, in which the group relates to its audience through singing praises of how God has moved in their lives. The group consisting of over thirty members welcomes students to participate and attend practices on Wednesday Night at 7:30 in the Fine Arts Building.

The elected officers were Sheila Welch, president; Constance Gates, vice president; Kathy Moore, secretary; Minnie Johnson, asst. secretary; and Ronnie Parker, treasurer.

Praising God through singing and fellowship is the intention behind the Wesley choir. Interested students are asked to see one of the officers. Additional keyboard players and lead vocalists are invited to share their God-given talents with the campus and the surrounding communities of the East Central District.

'81 Dorm Council

Edna Beaver has been elected House Chairman for the Women's Council. Assisting her will be Vicky Harralson, secretary; Stella Posey, treasurer; Susie Wisenant, Religious Chairman; Lisa McKay and Augusta Harvey, Civic League Chairman; Summer Posey and Cindy Goodin, social chairmen.

Collegians for the year are (1st row) Heather Sammons, Stella Posey, Kim Graham, and Joan Alawine. (2nd row) David Felton, Shellye Hill,

Todd Vance, Pam Shelley, Jerry Holt, Kevin Winstead, Greg Vance, and Mike Boyette. (3rd row) Missy Watson and David Hackman.

French Club officers

John Cumberland of Philadelphia has been elected president of LeCercle Francais (French Club) for the school year.

Also serving as officers are Todd Wall of Decatur, vice-president; Janie Mc-Millan of Newton, treasurer; and Mev Thrash of Decatur, secretary-reporter.

The club's purpose is to help acquaint East Central's French students with the activities of their French peers. Club activities include a Christmas party where French foods are served, talks by natives of France, and movies and slides from France.

Mrs. Elisabeth Rowell, a native of France, is the club sponsor.

ROTC officers for the year are Bernard Lee, freshman representative and James Wood, president (front) and Foreign Swan, sophomore representative; Mattie Burside, treasurer; Augusta Hardney, secretary; and Sandra Edwards, vice-president.

The Warriors Todd Wall (23) kicked a first half extra point out of Bob Posey's hold to put the Warriors ahead briefly 7-6 against Pearl River. Coming from behind in the closing moments, the Warriors scored from 40 yards out to win 21-18.

In the first victory of the season Ronnie Parker crossed the goal line with less than a minute to go in the first half. Blocking on the play were Joe Douglas (81), Ken Wallace, (51) and Early Clemons, (63). In the fourth quarter, Wayne Baucum made 2 TD's and Todd Wall kicked the extra points to put the Warriors on top 20-17.

Warriors hold 2-3 record

EC drops Pearl River in last minute victory

In one of the most exciting games of the year, the East Central Junior College Warriors upset nationally ranked Pearl River Junior College here in Decatur Saturday night. After a first quarter deficit of 6-0, the Warriors came back on a 40-yard touchdown pass from Micah Hazelwood to Ronnie Parker. The PAT was good by Tod Wall, and EC led by a score of 7-6.

Later in the second quarter, Pearl River scored again making the score 12-7. Pearl River held its lead going into the half. The second half began as if Pearl River was about to blow EC off the field. They took the opening kickoff and marched 77 yards to score a touchdown. The PAT failed. Pearl River led 18-7

pass which culminated a drive of 80 yards. EC then decided to go for two points on the PAT. Hazelwood pitched back to halfback, Dale Reese who then fired a bullet to Tony Baker for the two. The score then stood at 18-15. This score held until EC managed to hold Pearl River on a fourth-and-one on their own 40-yard line. Then with 1:37 left in the game, Hazelwood threw a 42-yard bomb to Bruce McGee for the go-ahead touchdown. The PAT failed and EC led 21-18. Then, after the kickoff, on Pearl River's first play from scrimmage, Dale Reese recovered a Pearl River fumble to ice the victory.

'81 season begins Nov. 9 at Meridian

By SHELIA WELCH

Since the first day of school, the Warriors and Warriorettes have been preparing for the date of November 9. Hard work and dedication can describe the players and coaches of the East Central Junior College Athletic Association. From 2:15-5:15 the gym is occupied by students who have pledged to be athletes and to contribute to the welfare of the team.

Whether hot or cool, rain or shine, basketball practice carries on. The weight program in which both teams participate in are the basics in their conditioning program. At the beginning of the season, the men were running outside and the women were conditioning inside. Now the ladies have taken to the streets and to the football field and bleachers for the continuing process of strengthening and endurance.

Several Scrimmage games have been played by the men under the coaching of Herman Robinson. The women will also have several at a date later to be confirmed by Coach Wood.

Both teams look great and are really working hard. They asked for the support of the faculty members and the student body as they begin to approach the season that lies ahead. Circulating on the campus is a "WE SUPPORT THE WAR-RIORS AND WARRIOR-ETTES" page that will be placed in the basketball athletic program. Each person is asked to sign the page for one dollar and let the basketball teams know how much support they have.

Larry Jackson fills Music Dept. slot

By SHERRY ROEBUCK

Mr. Larry Jackson has filled the position of teacher and sponsor in the Music Department here at EC. He replaced Mr. Heritage who is presently working on his degree.

Larry was born May 29, 1954 in Boston, Mass. He is the son of a minister and has one brother who attends Texas A&M. He has moved extensively throughout his

life to places as far as Ipswich, England, although he has lived mainly in Northeast, MS.

Mr. Jackson graduated from high school in 1972 in Huntingdon, Tenn. From there he entered Freed-Hartman College and finished in 1976 with a BA in speech and a minor in voice. He then went on to Ole Miss where he completed requirements for a B.M. and

M.M. in Voice and an M.M. (Master of Music) in Composition.

After college, Larry taught at a Christian Jr. College in Montgomery, Alabama. He also worked on his doctorate at both Ole Miss and Southern.

Here at EC, Mr. Jackson teaches choir, voice, music appreciation, and sponsors a student singing group called The Collegians.

Among his interests are reading, Bible study, playing golf and racquet ball, needlepoint and obviously music.

Among his honors are selection as one of several Oustanding Young Men of America for 1981 and is presently a preliminary candidate for the 1982-83 White House Fellowship.

Nov. 4 and 5.... **Plans** being

set for Senior days

Tentative plans for Senior Day have been announced by Dean Denver Brackeen, East Central Dean of Students.

Instead of having six separate Senior Days as has been the custom, this year all five counties will come during a two-day period.

November 4 has been set up for Scott and Leake county students. November 5 has been set aside for Newton, Neshoba and Winston County high schools. During this two-day period, Dean Brackeen is expecting approximately 1,000 students to tour the campus.

Tentative plans call for arrival of the students between nine and ten o'clock each day. Tours will be given to small groups, and an assembly will follow for all students. The assembly program will include a welcome by Dr. Wright, a one-act play presented by the speech department, a fashion show by the modeling squad, and a musical presentation by the Collegians.

Box lunches will be served on the Mall. The afternoons will be devoted to special group meetings.

Senior Day is especially important to the recruiting program at East Central. Student registration provides the names, addresses, and phone numbers of students in the five-county area so that additional contact can be made with the student in the spring semester and throughout the summer.

By KENT PECKHAM For the second time in two weeks the student recreation center has been robbed. The vending machines were broken into and the money taken. Monday night, October 5, a person or persons gained entry through an upstairs door by use of a crowbar. They proceeded to systematically rob the machines in the game room as well as several machines in the student center proper. The thieves also unsucessfully attempted to break into the money changer and safe. Authorities remain perplexed by the case and no substantial evidence or leads have been unearthed. No estimate is available on the amount taken. The school asks that anyone having knowledge of or facts concerning the robbery promptly notify the sherrif's office.

Second break-in reported in Recreation Center

Earlier this month, the game room had been robbed of approximately \$400.

Profs demonstrate new talents(?)

By SHELIA WELCH

"Ladies and gentlemen, boys and girls, cats and goats, (inside joke of those who were privileged enough to respond to the invitation presented by the Phi Theta Kappa member). Step inside and prepare yourself for the greatest thrill in talent's history. Since President Reagan has sent many of the employed to become unemployed, E.C. faculty members have dropped down to only a very few who shall continue to "hold" the school together.

Unemployment has caused ten of East Central's best to turn to careers that students thought someone who lectured the entire class period, or shhhed us in the library or those who just enjoyed giving students a hard time, could never do. But on Tuesday night a sample was given of the talented and the not so talented.

To begin the audition for jobs, Mrs. June Vaughn sat down at the piano and began to peck out the tune to "Mary Had a Little Lamb" (booo.) but all of a sudden her little fingers began to play a beautiful rendiction of the melody in which we all loved as children. Congratulations on such an outstanding performance Mrs. Vaughn.

Mrs. Elizabeth Rowell the French Instructor sang two Christmas carols, Holy Night and Silent Night. What's so fantastic about that? It was in French. Excellent performance Mrs. Rowell.

Mrs. Anne Burkes, the librarian, favored us with a new version of "Cinderella'' called "Rendacilla''. Although the lady who was dressed in overalls had a slight speech impairment, she thinks she might make it big on the nationally known "Hee Haw".

Mrs. Gail Wood returned to her childhood with her mini-dress and lollypop to favor us with a piano solo written by the

Mu Alpha Theta awards chapter on EC campus

Decatur, MS, November 25, 1981--East Central Jr. College has been honored this week by election to Mu Alpha Theta, an international junior college mathematics club.

The announcement was made by Dr. Harold V. Huneke, national secretary-treasurer, to Mu Alpha Theta and professor of mathematics at the University of Oklahoma where the national office is located.

Only those schools with excellent mathematics programs can earn membership in the club since all courses in mathematics and the qualifications of the mathematics faculty and students are examined in detail by the club's Governors and National Officers.

To be eligible for membership, minimum requirements are that a student must have completed with distinction at least four semesters of college preparatory mathematics and be enrolled in the fifth semester. He also must have an overall grade average of at least a "B" in all of his high school work.

"Membership in Mu Alpha Theta is the highest possible for a high school or junior college student of mathematics," Dr. Huneke said. "Club activities consist of work in areas of mathematics not usually covered in the classroom."

Mu Alpha Theta was founded in 1957 at the University of Oklahoma and has grown to more than 2,000 clubs in 46 states and Canada, Japan, Puerto Rico, the Canal Zone, Iceland, Turkey, Brazil, and Okinawa.

The club is co-sponsored by the Mathematical Association of America and the National Council of Teachers of Mathematics and has attracted the attention of top mathematics scholars in this country and abroad. Dr. Shelby Harris is the advisor to the club.

Singing Christmas Tree planned for Dec. 6 and 9

By SHERRY ROEBUCK

The ECJC Choir presented a concert Wednesday, December 2, 1981 in the Fine Arts Auditorium.

The choir sang ten songs ranging from Negro spirituals to an arrangement of the all time favorite "Dixie".

The choir, under the direction of Mr. Larry Jackson, will present the annual "singing Christmas tree" on Sunday Dec. 6 and Wednesday Dec. 9 at 7:00.

Other plans for the year include the Mississippi Jr. College Choral Festival which will be held in Jackson. The choir will also perform at area churches and will present a spring concert in April.

Day of reckoning with grades approaches

By KENT K. PECKHAM Well, we have partied away the better part of a semester...long nights enveloped by the fallout of an alcoholic haze, success and failure in love, and, at times, rare moments of insight. But now, as time rushes forward with stubborn persistency, we begin to realize that we have paid a harsh price for our preoccupation with selfgratification. Our grades we find, have plummeted

to a point somewhere twixt mediocrity and the depths of despair. We envision the chagrin of our parents as they open the all-important grade report. What then can we do to change the ill tide and so avoid the lash of parental anger?

Fortunately, the system within which we operate provides a "last gasp" for the cronic party-goer in the form of final examinations. Fol-

lowing are some tips for doing well on these exams:

(1) determine to sacrifice some party time to the vehement worship of the God of Knowledge.

(2) since we haven't studied all year, we must be content merely in becoming familiar with the material; memorization at this point is useless if not impossible.

(3) develop a schedule for study and adhere to it as if life itself depends

upon doing so.

(4) to avoid fatigue, limit study to one hour periods broken by rest periods of 10 minutes.

(5) select a study site free of disturbances (yes, this includes radio, TV, etc.)

(6) outline all important material and study until reasonably sure of it's content.

(7) pray to selected gods for insite and wisdom.

Warriorettes off to fast start with five wins, two losses

By SHELIA WELCH

The East Central Women's Basketball team has gotten off to a good start for the 1981 season. The Warriorettes are now sporting a 5-2 record with the losses coming from games against East Mississippi and Holmes Junior Colleges.

At the beginning of the season, November 9, 1981, EC put a whipping on Meridian, defeating them 83-62. Leading the pack in scoring was Joanne Earnest with 22 points and 11 rebounds followed by Stephanie Townsend with 11 points.

The second game against East Miss. did not come out with the same after effects. Scooba defeated the Warriors 80-61. Joanne Earnest and Stephanie Townsend led the Warriors in scoring again with 20 and 11 points respectively.

On November 16, the Warriorettes took advantage of their home court by defeating Meridian 71-63. Pam Coleman sunk 20 points followed by Stephanie Townsend with 18.

To keep up their winning streak, EC defeated Jones 90-79. Joanne Earnest once again led the Warriorettes with 23 points. Mattie Burnside added 16 while Pam Coleman and Shelia Welch both added 15 and Stephanie Townsend added 12. To begin the tournament at East Mississippi, EC took on the rivalrous Holmes Junior College. With EC leading 33-30 at half time Holmes came back to defeat EC 84-64. Neither Earnest's 17 points, Welch's 13 or Coleman's 12 points were enough to pull out the

victory, nor did 36 turnovers help the situation any.

The final afternoon of the Tournament, East Central defeated Gulf Coast 72-65 to come in 3rd place in the Invitational tournament. Townsend led the Warriors with 19 points followed by Burnside with 12, Earnest 11. and Welch with 10.

The season record thus far is 5-2 with a 2-0 conference record. The accumulative record for the Warriorettes is as follows:

Coach Robinson stated that "The whole team is made up of freshmen, except for Mike Shirley, and as the season goes along we will get stronger." Coach Robinson also said that he had been having good efforts from everyone on the team and that the main problem is due to the fact that "We are weak in rebounding because of a lack of height."

Mr. Roudolph Mayes gave up his hunting career of deer and possum sized roaches to light up the stage when he played "You Are My Sunshine" on his harmonica. Keep blowing, Mr. Mayes.

Mrs. Ruth Ezelle and Mr. Larry Blackburn got everyone to relax as Mrs. Ezelle read the fairy tale "The Little Red Hen" to Mr. Blackburn, her great grandson. Their act was so well performed that the judges awarded them 2nd place.

Ms. Charlene Gray gave a glimpse of her talents when she sang and played "Could I Have This Dance" a popular tune from the movie "Urban Cowboy". Watch out Dallas and J.R. because here comes Charlene to take someone's position and show her southern skill.

Beware fans of Box Car Willie and Slim Whitman, Mr. Ovid Vickers is shining through as the next contenter in music. The folk songs added humor and joy as he sung 'Little Mary Fagan'' and

'Careless Love. Ms. Gloria Hollingsworth changed the famous question "to be or not to be'' to "to marry or not to marry'' as she showed the three phases of marriage in her skit. She won first place, but the question still hasn't been answered. So, what's the answer Ms. **H**? Approximately \$50 was raised by selling orange juice, sausage and biscuits, donuts, ham sandwiches, cokes and coffee.

Roy Crudup, the Vice President of the Music Club, said that "the program was a success, and it gave him a good feeling of sharing and helping those less fortu-nate." The Christmas spirit of giving and sharing pays off when one can see a child smile on Christmas morning. One should always remember what Christmas really stands for. This Christmas, make yourself a promise – a promise to give until you feel a wonderful and moving spirit within. Always remember that the more you give the more you will receive. It doesn't

mean to go to a famous expensive store and buy nice gifts. One can give of himself the greatest gift of all--the gift of love. Merry Christmas!

Warriors lose to Holmes in playoffs

By JERRY HOLT Sports Editor

The East Central Junior College Warrior football team ended the regular season with a heart-breaking lastminute loss to Scooba by a score of 31-27. However, EC did go to the playoffs losing to Holmes in the first game by a score of 24-15.

EC had four players who participated in the State All-Star game. These players were: Bob Yarbrough, Ronnie Parker, Tony Baker, and Jim Kennamer. Both Baker and Kennamer had TDs in the game.

By JERRY HOLT As of this time basketball is still under way in intramurals. It will pick up where it left off immediately following the Christmas break. Tournaments will take place at the middle or latter part of February. Immediately following the basketball tournaments, intramural softball for men and women will begin (weather permitting). All students are urged to participate.

Tony Baker, Bob Yarborough, and Ronnie Parker participated in the annual Junior College All-Star Football Game. Also participating was Jim Kennamer, who is not pictured.
